WORLDWIDE EDUCATION OPPORTUNITIES

Bachelor of Science Completion Option at the University of Economics and Finance

About **the Program**

The CityU partnership with the **University of Economics and Finance** offers students a 3+1 degree completion program. The program gives students the opportunity to study for a Bachelor of Science in Business Administration for the first three years at UEF and the final year in Seattle at CityU.

The University of Economics and Finance was established in 2007 with core themes of quality, efficiency and integration. Those themes are seen in its programs in economics and finance.

3+1 Bachelor of Science in Business Administration — this degree will prepare you for a variety of roles in marketing, accounting, finance, human resources, and other industries.

Why **CityU?**

- In-demand, career-relevant programs
- Dedicated international advising staff
- Experienced, professional instructors
- Language-assisted programs and full-time ESL options
